Programs topics and dates are tentative, but have generally been scheduled for the 4th Thursday of the month. Dates and topics may change. Please check with the SLCCC office.

NOTE: Most SLCCC programs have been designed to meet the requirements in Missouri regulations for Professional Development Hours (PDH) and the AIA guidelines for Learning Unit (LU) hours. For each program, the Council produces a certificate for participants which is available on the web site, stating the title, date, instructor, content and number of PDH and LU hours the program should qualify for. Records are kept at the Council office and certificates can also be received after the program.

For information on sponsoring Council education programs, contact the Council office.
