April 14, 2016

This serves as a record that

attended the following program:

Advanced Work Packaging

New Research on Improving Productivity & Total Cost

Thursday, April 14, 2016
Westborough Country Club
631 South Berry Road, St. Louis, MO 63122

Hosted by:

ST. LOUIS COUNCIL OF CONSTRUCTION CONSUMERS

This program was designed to:

- ◆ Describe the latest Construction Industry Best Practice validated by the Construction Industry Institute (CII)
- ◆ Outline how Advanced Work Packaging can support manageable scopes of work for planning & execution that improves productivity and increases predictability
- ◆ Examine challenges & how they can be overcome
- ◆ Discover lessons learned from successful implementation

Presenter:

Scott Hounsell, *Director - Construction Services*
Fluor Corp.

The program's training was designed to qualify for 1.5 Professional Development Hours (PDH) for Professional Engineers under Missouri statutes and 1.5 Learning Units (LU) hour through the American Institute of Architects. Please retain this as a record of your participation.

Certifying organizations who wish to audit attendance records can contact the St. Louis Council of Construction Consumers.
