This serves as a record that

attended the following program:

Assessing Your Project Cybersecurity Challenges

Thursday, August 23, 2018

Engineering Center

4359 Lindell Blvd., St. Louis, MO 63108

Hosted by:

ST. LOUIS COUNCIL OF CONSTRUCTION CONSUMERS

This program was designed to:

- ◆ Identify the 4 tiers of readiness for prevention.
- ◆ Outline the audit process to assess your current level and the steps you should take to reach the next tier.
- ◆ Explain how can you scale your prevention and detection to the size of your operation.

Presenters:

Tony Bryan, Executive Director, **Midwest Cyber Center**

Charles Forsythe, Director of IT Solutions, **Superlative Technologies (dba SuprTEK)**

The program's training was designed to qualify for 1 Professional Development Hour (PDH) for Professional Engineers under Missouri statutes and 1 Learning Unit (LU) hour through the American Institute of Architects. Please retain this as a record of your participation.

Certifying organizations who wish to audit attendance records can contact the St. Louis Council of Construction Consumers.
