GETTING TO THE BOTTOM LINE

Employee Engagement

Why Engagement Affects Your Bottom Line

SPEAKER:
Andy Armbruster

BAYER
U.S. Talent Management Director
U.S. Human Resources

Andy Armbruster has held key positions at Bayer involving engagement, succession planning and talent pipelines. Additionally, Andy led the creation of the North America Inclusion and Diversity strategy. Most recently, Armbruster worked on the Bayer-Monsanto integration team focusing on culture and change management. Join us as Andy shares why engagement will change your bottom line with lessons learned and proven strategies on inspiring, instructing and involving employees. Learn how to increase productivity and retain valued employees.

This serves as record that

_____ attended this workshop.

This program was designed to:

- Help improve employee engagement and employee retention within the AEC industry.
- Learn strategies for improvement.
- Learn success stories or results from engagement programs within Bayer
- Leave with ideas for implementation

The program's training was designed to qualify for 1.5 Professional Development Hours (PDH) for Professional Engineers under Missouri statutes and 1.5 Learning Units (LU) hours through the American Institute of Architects.

Please retain this as a record of your participation. Certifying organizations who wish to audit attendance records can contact the St. Louis Council of Construction.
