SPECIAL PROGRAM SPONSOR:

BSA

This serves as record that

attended this OWNER'S ROUNDTABLE.

This program was designed to:

- Help improve technology within the AEC industry.
- Learn strategies for implementation..
- Learn success stories or results from drone technology.

The program's training was designed to qualify for 2 Professional Development Hours (PDH) for Professional Engineers under Missouri statutes and 2 Learning Units (LU) hours through the American Institute of Architects.

Please retain this as a record of your participation. Certifying organizations who wish to audit attendance records can contact the St. Louis Council of Construction Consumers.

\$40 member/\$70 nonmember
