February 5, 2014

This serves as a record that

attended the following program:

OneSTL: Regional Plan for Sustainable Development

Wednesday, February 5, 2014

Engineers Club

4359 Lindell Blvd., St. Louis, MO 63108

Hosted by:

Green Building Council - Missouri Gateway Chapter
St. Louis Council of Construction Consumers

This session examined:

- What's the OneSTL regional plan for sustainable development?
- How will the plan impact increasing energy diversity & efficiency?
- How will the plan impact economic development including redevelopment and reuse of existing land & buildings?
- What's the role for improving site specific green infrastructure?

Presenters:

Aaron Young

David Wilson

East West Gateway Council of Governments

The program's one (1) hour of training was designed to qualify for 1.5 Professional Development Hour (PDH) for Professional Engineers under Missouri statutes. It has been submitted for approval of 1.5 Learning Units (LU) hour through the American Institute of Architects and 1.5 Green Building Council Certification Institute (GBCI) CE hours. Please retain this as a record of your participation.

Certifying organizations who wish to audit attendance records can contact the Green Building Council - Missouri Gateway Chapter or the St. Louis Council of Construction Consumers.
