VIRTUAL PROGRAM RIDING THE WAVE: RETENTION AND RECRUITING THROUGH THE GREAT RESIGNATION

PROGRAM SUMMARY

Like many business sectors, the A/E/C industry is being forced to “ride” the great resignation wave. Employees who are leaving their jobs say they are not simply leaving for bigger pay checks, but that they are in search of something better overall.

Therefore, it's imperative organizations take action now to retain their employees and build strong company cultures enticing future job seekers to join their company through the recruiting cycle.
