August 18, 2015

This serves as a record that

attended the following program:

Safety Exchange Forum

Tuesday, August 18, 2015

7:30 - 10:00 am

Sheet Metal Workers, 2319 Chouteau, St. Louis, MO 63103

Presented by:

ST. LOUIS COUNCIL OF CONSTRUCTION CONSUMERS

This program was designed to

- ◆ Provide information on new OSHA confined space standards & how they compare for construction and general industry.
- ◆ Share requirements for Personal Protective Equipment for traffic and construction right-of-way safety.
- ◆ Provide basics for Work Zone Specialist Training.
- ◆ Assess how to recognize & prevent common line of fire injuries.
- ◆ Examine major target hazards for line of fire.

Presenters:

Bonnie Lockhart, *Industrial Hygienist, Ameren*

Chris Engelbrecht, *Safety & Health Manager, Missouri Department of Transportation*

Walt Russell, *Construction Coordinator, Monsanto-Global Engineering*

The program's training was designed to qualify for 0.2 CEU's for re-certification through the Board of Certified Safety Professionals (BCSP), 2 Professional Development Hours (PDH) for Professional Engineers under Missouri statutes and 2 Learning Units (LU) hours through the American Institute of Architects. Please retain this as a record of your participation.

Certifying organizations who wish to audit attendance records can contact the St. Louis Council of Construction Consumers.
