This serves as a record that

attended the following program:

Tools to Improve Project Performance

Thursday, February 26, 2015

Charles F. Knight Executive Education Center, campus of Washington University, St. Louis

Hosted by:

ST. LOUIS COUNCIL OF CONSTRUCTION CONSUMERS

This program was designed to:

- ◆ Provide an easy to use scope definition tool
- ◆ Improve small project execution through the Project Definition Rating Index for Small Industrial Projects tool
- ◆ Explore how to assess risk exposure and the impact on the full project life cycle
- ◆ Assess which project components should be considered in risk mitigation.

Presenters:

Dr. Edd Gibson, *Director of School of Engineering & the Built Environment*
Arizona State University

Thea Cummings, *Capital Execution Group, Anheuser-Busch / InBev*

Clint Rodenberg, *Seeds Project Engineering Group Lead, Monsanto*

Moderator:

Steve Bannes, Washington University Graduate Studies in Construction Management

The program's training was designed to qualify for 3 Professional Development Hours (PDH) for Professional Engineers under Missouri statutes and 3 Learning Units (LU) hours through the American Institute of Architects. Please retain this as a record of your participation.

Certifying organizations who wish to audit attendance records can contact the St. Louis Council of Construction Consumers.
