Meet Your Panelists

ECONOMIC DEVELOPMENT

STEVE S. JOHNSON / CEO OF MISSOURI PARTNERSHIP (ECONOMICAL DEVELOPMENT)

The Missouri Partnership is a public-private economic development partnership leading business recruitment in MO. To accomplish this MP works closely with the MO Dept. of Economic Development, the Hawthorn Foundation, and regional economic organizations throughout the state. Steve joined Missouri Partnership in early 2015, having led regional business attraction in both Kansas City and St. Louis from 1991–2015. Since July 2016, Missouri Partnership has successfully attracted corporate investment leading to 7,500+ new jobs and more than \$1.2 billion in investment to Missouri.

CONSTRUCTION UPDATE

RON WEIS / VICE PRESIDENT OF ALBERICI CONSTRUCTOR INC.

Ron is a Vice President at Alberici Constructors, Inc., 37th largest General Contractor according to the latest Engineering News Record publication. Alberici works throughout North America and is celebrating its 100th year in business. Ron has been with Alberici for 31 years. In addition, Ron also is a current Member of the Board of Directors of the Regional Union Construction Center, Advisory Board Member for Minority Businesses, a member of the AGC of Missouri Estimators Forum, and a member of the St. Louis County Building Code Review Committee.

ST. LOUIS MARKETING OVERVIEW

DAVID KEHM / PRINCIPAL AT CHRISTNER

David is a St. Louis native who graduated with a Bachelor degree in Architecture from Kansas State University in 1986 and who has practiced architecture in St. Louis since 1987. He is a shareholder at Christner, a 55 person design firm located in St. Louis that focuses on five market sectors – Corporate, Healthcare, High Ed, Science & Research, and Cultural. David is the Corporate Market Leader and is currently involved in projects with Edward Jones, McCarthy, Nestle, Ameren, and Dot Foods.

Meet Your Moderator

DR. RAILESHA TIWAR / SUSTAINABLE DESIGN & CONSTRUCTION PM AT WASHINGTON UNIVERSITY

Railesha's role is to foster sustainable design principles across all projects and help not only achieve the university's sustainable operations goals, but set new goals that will expand WashU's role as a national leader. Railesha has a Doctorate degree from the College of Architecture and Urban Studies, School of Architecture + Design at Virginia Tech, Blacksburg, USA. Her doctoral research focus was to develop an integrated design process model for the early design phase of Net-Zero Energy Buildings.

PDH & LU Credit

This program has been designed to permit you to qualify for 1.5 Professional Development Hours(PDH) for Professional Engineers under Missouri statutes and 1.5 Learning Units (LU) through the American Institute of Architects.
