CONOMY

AEC UPDATE & ECONOMIC FORECAST 2022

***Hybrid Event**

PROGRAM SUMMARY

Our Annual SLC3's second most anticipated program of the year is back! Learn about our region, updates on both design and construction what's in store for 2022.

We have our industry covered with experts to share specific research and information. Our Moderator is back! Our Chair of the Training and Education Committee and Ameren's Business Development Executive, Monica Connors is here again to help moderate this informative event and keep us on track!

MODERATOR

MONICA CONNERS

AMEREN - Business Development Exec.

Monica works throughout the Ameren Missouri service territory to deliver energy solutions that support economic vitality throughout the State. She specializes in attraction and expansion opportunities and manages the Ameren economic development incentive process for clients looking to grow or expand.

This program has been designed to permit you to qualify for:

>1 Professional Development Hour (PDH) for Professional Engineers under Missouri statutes

> 1 Learning Unit (LU) through the American Institute of Architects.
