

SLC₃ MEMBERSHIP

SLCCC.NET

WHO WE ARE...

The SLC₃ is a community of design and construction industry professionals with a common interest in the betterment of our region through prioritizing innovation, continuing education, equity empowerment and all-inclusive workforce collaboration. Our community includes owners, designers, consultants, contractors, developers, trades, legal counsel, accounting, banking, insurance, marketing, and other service providers. Our Owners include the largest companies in the region. Local governments, private sectors, healthcare systems, school districts, utilities, and developers make up our owner member community.

PRIORITIZING INNOVATION

CONTINUING TRAINING & EDUCATION

EQUITY EMPOWERMENT

ALL-INCLUSIVE WORKFORCE COLLABORATION

MEMBERSHIPS

Since forming in 1971, we have continued to have amazing members contributing to our mission and vision of being the premiere voice of construction in the St. Louis Region with the unique advantage of the consumers of construction leading the organization. Being owner led means the owners in the region lead our various committees, our board and operations of the Council. But we can't do it without our associate members support and volunteers.

SUSTAINING MEMBERS

Owners with a major presence and who historically perform significant amounts of construction work or who voluntarily agree to support the organization at a higher level.

CORPORATE MEMBERS

Private, nonprofit, institutional and other Owners whose revenues are not publicly funded.

PUBLIC SECTOR MEMBERS

Owners who have a majority of their revenue publicly funded.

ASSOCIATE MEMBERS

Organization or individual not qualifying as an Owner member, but having an interest in construction matters who desire to participate in the council's mission to improve the design and construction industry (e.g., design consultants, contractors, vendors, etc.).

ASSOCIATE MEMBERS

SLCCC.NET

MEMBERSHIP

Membership in the St. Louis Council of Construction Consumers provides many benefits for our associates including reduced pricing for events and programs, participation on committees and in leadership roles impacting the organization, sponsorship opportunities, and what we call "a seat at the table" with decision makers.

ASSOCIATE QUALIFICATIONS:

Organization or individual not qualifying as a consumer of construction, but having an interest in construction matters who desire to participate in the council's mission to improve the design and construction industry (i.e. design consultants, contractors, vendors, etc.).

For more information regarding associate membership, please contact Kelly Jackson, Executive Director.

JOIN AN SLC3 COMMITTEE!

AGC Liaison (Owners Only)

The AGC Liaison Committee is charged with meeting quarterly with the Associated General Contractors to address concerns in the construction industry. Meets quarterly.

Awards Gala (Judges Required)

The Best Practices & Awards Committee is charged with promoting the use of recognized Best Practices and recognizing outstanding accomplishments through the Best Practices Awards. Meets for a few months.

Construction Alliance (Owners Only)

The Construction Alliance is a joint committee between the Council, AGC, AIA, ACEC, IFMA and CSI to develop and promote guidelines for the St. Louis Construction industry. Meets quarterly.

Diversity & Inclusion

The Diversity Committee is charged with assessing diversity in design and construction and fostering greater diversity and inclusion in work force and among consumers of construction. Meets monthly on last Friday of month.

Executive Committee (Owners Only)

The Executive Committee is the highest level leadership branch of the organization working with the Executive Director overseeing the ongoing operations of the Council, making recommendations to the Board of Directors and acting on behalf of the Board between meetings. Meets monthly on first Thursday of month.

Golf

The Golf Committee is charged with offering an opportunity for owners, contractors, design professionals and other industry professionals to network and interact in a non-business setting, thus enhancing industry communication. Meets January thru April.

MCA Liaison (Owners Only)

The MCA Liaison Committee is meets quarterly with the Mechanical Contractors Association to address industry concerns with mechanical contractors and pipefitters.

Membership

The Membership Committee is charged with increasing membership in the Council, especially by owners. Meets monthly the last Tuesday in afternoon.

Missouri Growth Association (Owners Only)

The Council appoints a Director to the Board of Directors of the MGA and coordinates with MGA on government and regional development policy concerns.

Health & Safety

The Safety and Substance Abuse Committee is charged with developing programs that increase safety and that eliminate substance abuse. Meets monthly on second Tuesday at 1 p.m..

Training and Education (2 Yr Commitment)

The Training and Education Committee is charged with developing programming and coordinating monthly programs or seminars and networking events. The committee requires more time commitment but provides a substantial support to the SLC3.

Workforce Committee

The Workforce Committee is charged with identifying workforce needs and keeping on top of region. This committee is not currently meeting but building up. If interested let us know.

Emerging Leaders

Currently a subcommittee of Membership, this committee of professionals is intended to provide a community of individuals rising up in their careers. The committee organized special events as well as contributes to ideas for membership engagement and growth.

Best way to truly experience a member organization is to get involved. Getting involved pays personal and professional dividends. Without our members we cannot continue to embark on our mission nor fulfill them. Each committee has a distinct purpose as part of our core functions as a Council. As we are an owner led organization, Chair positions are distinctly held only by a member of an owner organization. If you have an interest in chair a role, please see the current chair or Kelly Jackson, Executive Director for more information. It's easy to join a committee! Just send an email to info@slccc.net and let us know! Further clarification on the committee and requirements can be discussed. Or, fill this out and mark your interest and send.
