WELCOME TO THE 39th ANNUAL SLC3 GOLF TOURNAMENT

Four-person scramble "Best Position" Tournament. Each player hits a tee shot. From the best position, each player hits a second shot. Continue this procedure until the ball has been holed out. Play "ready golf" . . . as soon as you're ready, make your best swing. Because you are playing from the best ball, **avoid spending extra time looking for balls.** THIS ONLY DELAYS THE TOURNAMENT. Teams with 3 players will alternate hitting the 4th shot. We have additional safety precautions integrated throughout the day.

RULES OF PLAY

1. USGA rules of golf shall govern play except as modified on the scorecard and below.
2. The fourteen-club rule is not in effect.
3. **AM and PM- Men play from the white tee markers. Ladies play from the red tee markers.**
4. You may improve your lie anywhere within one club length, no nearer to the hole. All players must play from the hazard if the selected ball lies within a hazard. If the chosen shot lies within the rough, all four players must play the next shot from the rough.
5. **Bogey Rule: Once your team reaches one over par on a hole, pick up, give your team a bogey for the hole, and continue to the next tee box.**
6. There will be a two-putt maximum today. If all four players miss the first putt, please pick up, add one stroke, and continue to the next hole.
7. Tie Rule: All ties will be broken by scorecard playoff starting at #1 handicap hole.
8. Rain Rule: If play must be stopped because of rain and the field has completed nine holes, prizes and awards will be given based on the first nine holes played.
9. No replaying a hole you have already played! This causes delays in the tournament.
10. Scoring: Today's event will be flighted based on gross score, with first & second place for each flight on each course. . . Plenty of chances to win! **YOU MUST use the screen in the carts and record your scores on the scorecard in case of a mistake.**
11. **Players who spend too much time at tents and are not moving along will be asked by Marshalls to move to the next hole and take a bogey for each player on that hole.**

Join us for a brief program to present winner prizes, enjoy dinner and attendance prizes!!! You MUST be present to win.
