NOTE: Most SLC3 programs have been designed to meet the requirements in Missouri regulations for Professional Development Hours (PDH) and the AIA guidelines for Learning Unit (LU) hours. For each program, the SLC3 produces a Certificate for participants which is available on the website under the "Resources" tab, stating the title, date, speakers, content and number of PDH and LU hours the program qualifies for to obtain hours. We are not responsible for reporting any CE hours. The SLC3 is a 501(c)(6) non-profit organization and registration fees are not tax deductible. Zoom meeting links/codes will be sent just before the meeting. We offer complimentary Training and Education Program registrations to Owner Members. Women hosted Lunches are for members, but you may be invited as a guest. Dates/Events are subject to change. *Special events are bolded and often sell out quickly.
