

SLC3 SHOW ME AWARDS “LEADERSHIP EXCELLENCE AWARD”

The **Leadership Excellence Award** honors an individual whose vision, integrity, and influence have made a significant and lasting impact on the Architecture, Engineering, and Construction (AEC) industry. This award recognizes a leader who demonstrates exceptional commitment to organizational success, industry advancement, and the development of people.

Eligible candidates exemplify strong leadership through strategic thinking, effective decision-making, and the ability to inspire teams, peers, and partners. The recipient is recognized for fostering a positive organizational culture, championing innovation, and navigating challenges with resilience and professionalism.

Special consideration is given to leaders who actively contribute beyond their organization—through mentorship, workforce development, community engagement, advocacy, or service to the industry and association. The Leadership Excellence Award celebrates those who lead with purpose, elevate others, and set a standard of excellence that strengthens the AEC profession.
